

A brief guide to entering the Scottish “Borders” Hill Rally

Entries for the 2017 Scottish “Borders” Hill Rally open at 19:00 on Sunday 6th August 2017. We are delighted that interest in this event in previous years has been brisk and this guide is provided to help you through the entry process. Entries will be accepted on a “first come, first served” basis, providing:

- A fully completed entry form is received
- Full payment is received.

Your entry will be logged on receipt and the first 45 entries received that meet this definition will be allocated a place. If your entry is incomplete (lacking information, or payment) then it will be placed on hold until it is complete. You will NOT get an entry until it is complete.

If you pay by bank transfer or paypal, your payment is received when funds clear into our account.

If you pay by cheque, your payment is considered to have been received on the date of postmark, provided the cheque does clear on presentation.

A fully complete entry form contains:

- FULL details, including name and full address of the driver of the vehicle
- FULL details of the entrant (if a licence holder/different to the driver)
- FULL details of the vehicle
- Emergency contact details for the Driver
- Seeding information
- Payment details
- Details of your service vehicle and any competitors you wish to service next to/with

It is also worth reading the Regulations – they contain all the information to help you get the most from the event... (and you sign to say you have read them on the entry form!!!)

Service Details

Service space at the Scottish “Borders” Hill Rally is limited and to enable us to place people in an appropriate space/fit as many competitors in as we can we ask for details of your service vehicle and who you would wish to service with. This information will be used to create the plan for the service park, and it is very unlikely that you will be able to change the plan on arrival if we did not receive this information. We will NOT be holding spaces because you serviced there last year, have become friends with somebody during the year and we didn’t know, or because the message didn’t reach us by carrier pigeon. Unfortunately we are not clairvoyant...

Thank you for entering and we hope you enjoy yourselves in November.
